Category Management (FY 2016 - FY 2017)

Spend Under Management (SUM)

Definition: Spend (in millions of dollars) on contracts that meet defined criteria for management maturity and data sharing. SUM is defined by a tiered maturity model, which includes three tiers that address five attributes: leadership, strategy, data, tools, and metrics.

Best In Class (BIC)

Definition: Best in Class is a designation by the Office of Management and Budget (OMB) for a preferred governmentwide solution that: Allows acquisition experts to take advantage of pre-vetted, governmentwide contract solutions; Supports a governmentwide migration to solutions that are mature and market-proven; Assists in the optimization of spend, within the governmentwide category management framework; and increases the transactional data available for agency level and governmentwide analysis of buying behavior. BIC is calculated as a percentage of total spend addressable to BIC solutions (BIC spend divided by total addressable BIC spend).
